This is a decision on the Petition for Revival of an Application for Patent Abandoned Unintentionally Under 37 C.F.R. § 1.137(b), filed October 17, 2011.

This Petition is hereby **granted**.

The above-identified application became abandoned for failure to timely and properly reply to the Notice of Allowability, mailed February 17, 2011. The Notice set a non-extendable three (3) month period for reply. No reply having been received, the application became abandoned on May 18, 2011. A Notice of Abandonment was mailed May 18, 2011.

Applicant files the present petition and includes corrected drawings in response to the Notice of Allowability. The petition satisfies the conditions for revival pursuant to the provisions of 37 CFR 1.137(b) in that (1) the reply in the form of an Amendment is filed with the present petition; (2) the petition fee; and (3) the required statement of unintentional delay. Accordingly, the reply is accepted as having been unintentionally delayed.

This application is being referred to Publishing Division for processing into a patent.
